Honorable Glenn L. English, Chairman
Subcommittee on Government Information
and Individual Rights
Committee on Government Operations
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

Thank you for your letter of 1 March concerning Subsection (d)(3) of the Freedom of Information Act. It is my understanding that unsuccessful efforts were made to coordinate this proposed change in policy with your staff prior to the submission of the list. We regret any inconvenience our initial response may have caused but would like to underscore the fact that we were motivated by real security concerns other than those dictated by transmittal of the list to your Committee. Our concerns centered around the future utilization of some of the individuals on the list.

We are enclosing the list of names and titles and are confident that the procedures established by your predecessors, with regard to which we are fully satisfied, will continue to be applied.

Sincerely,

William J. Casey
Director of Central Intelligence
